

Mind. Body. You.

Make the connection with Calm Health.

The Calm Health app provides programs and tools to help support your mental health and well-being – all at your own pace. As a UnitedHealthcare member, Calm Health is included in your health plan and available at no additional cost.

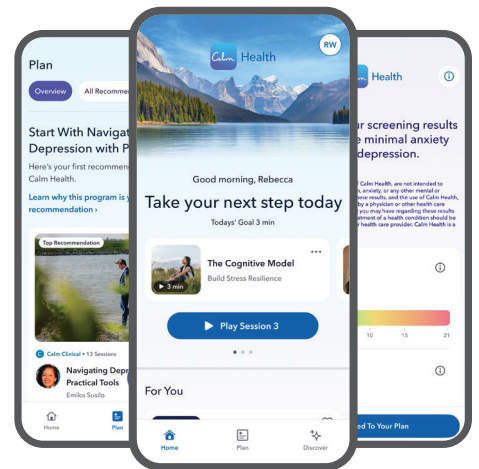

Resources to help support your mental health

To help tailor your Calm Health experience, you'll begin with a short mental health screening. Then, Calm Health will suggest certain programs for you to consider based on where you are in your well-being journey.
